Major Indrajeet Sinha

Major Indrajeet Sinha the **FOUNDER** of **KIDS CLUB SCHOOL** was the divine force who dedicated his whole life in creating a quality of character and providing a quality education to the building blocks of our nation, our students in order to strengthen the base of our nation. He took a step forward to create a well-educated society to do his part in developing our nation.

Major Sinha was in the 5th Gorkha Rifles in the Indian army from a **VICTORIA CROSS** awardee family and **COLONEL BAHURAN SINHA** father of Major Indrajeet Sinha was the first **INDIAN COLONEL** in the **British Army**. **Major Sinha** was a very brave soldier who has been honored with multiple medals for valor and strategic territorial advances.

He fought in two of the most crucial battles against **China** in 1962 and **Pakistan** 1971. At the **age of 16** he joined the **state army** led by **MAHARAJA MAN SINGH** and later the **Indian army**. He got his early education from **Cambridge, Delhi** and later **St. Xavier's, Patna**. He got his higher degrees from the **Maharaja College, Jaipur**.

As Full Commissioned Officer he has received commission by **Dr. Rajendra Prasad, First President of India** in the year 1951 and took an early retirement at the age of 38 as he valued other chapters of his life equally. He devoted all his resources and values in the school to guide the children and to help them become successful and competent human beings in all walks of life. He believed in equality among all caste, creed, race or gender. He was a feminist and believed in empowering woman.

He was a great man with even greater values and will be always remembered in our hearts.

DR. T. C. PATHAK
Chairman,
Kids Club Senior Secondary School

Message from Chairman's Desk....

My Dear Students & Respected Parents,

It gives me immense pleasure to welcome you all at Kids Club School as we enter a new decade in providing quality education. The school continues towards establishing the high standards of education.

With the guidance of the school's Founding Father, we are able to deliver value-based contemporary education for our student's holistic development. We believe that our institute is a temple of learning and for providing students with ample opportunities to develop their skills and personalities by not only building them great scholars but also making responsible citizens.

Education is about creating a bridge between **the knower, the known and the process of knowing**. We believe that the basis of all life endowed with the ability to know anything, do anything and accomplish anything.

The process of education starts with experience, then understand, application, verification, authenticity and finally organise to perpetuate this holistic path of enlightenment through tradition of teaching in long corridor of time - by amalgamating traditional school of thoughts and modern system of education to achieve the ultimate goal of life with quality living.

Kids Club School offers a Consciousness Based Education Curriculum, Balanced, Contextualized to the school student from play group to class secondary that will prepare them comprehensively for life oriented, value based individual and from a firm base for study in higher classes and fulfill the goal of education i.e. Action - Achievements - Fulfillment

The curriculum of Kids Club School is based on the mantra, "Life is bliss" and 'Let children be themselves'. Where children are given wings. The school also ensures that they develop strong roots. Most importantly, children are loved and made to feel cherished so that they approach life with a positive attitude. In a way, Kids Club School ushers the child into a world of possibilities, where his/her personality blossoms.

Life is bliss & you can accomplish what you desire by determination, discipline, dedication & devotion.

Our moto is **“तत् सन्धिदयो वर त्यागः”** **“tat sanidhayo ver tyagah”**. **Revert The Enemy Before Its Birth - Enmity Converts Into Coherence.**

I take this opportunity to thank all parents for their valuable suggestions and request them to keep doing so and help us on the perennial basis.

With Best Wishes

Dr. T.C. Pathak

Message from President's Desk....

MRS. MONISHA
President,
Kids Club Foundation Sansthan
INDIA

Dear Parents,

We are headed into the 21st century which claims that India is marching to become one of the leading countries that will lead the world in coming decade. In order to make it possible we need to educate our children especially girls, who constitute almost 50% of our population. Educating girls is the first and only step which will lead us to create an environment for Women Empowerment at large.

We aim to create an educational environment that is not just theory based but covers all the developmental areas of a human being. According to me, a child can only be completely educated when he or she has both theoretical and practical knowledge and is able to apply the received knowledge in all walks of life.

Education is incomplete without the blends of spirituality. We provide education with an aim to educate students in such a way that they develop a pinch of spirituality blended in cultural and moral values so that their mind is trained to easily differentiate between right and wrong.

We have taken a step forward to encourage a class and complete education in various sectors of our society in a pocket friendly fee structure so that the quality and quantity of educated students is enhanced nationwide.

In order to achieve this we have introduced various extra curricular activities that can reach out to the students and support them to fly high in this world of competition.

In coming years, we are planning to open more technical and professional institutions for women.

With Best Wishes

Mrs. Monisha
President,
Kids Club Foundation

Message from Deputy Director's Desk ...

Mr. Rishi Gaurav Pathak
B.Com, MBA
University of Central Lancashire, United Kingdom
Deputy Director
Kids Club Senior Secondary School
Mansarovar, Jaipur

An educational institute's role is and should not only be to pursue educational excellence but also to ensure that student is successful in all fronts, be moral in character, personality and surely owns a successful career that our students wish to have a future in. Therefore, We are extremely delighted that you are considering Kids Club Sr. Secondary School for your child's future as we aim to provide education in a way that our students are successful on all fronts.

This institute has honed and finetuned a curriculum that has ensured overall development of our students and shown us that we are indeed successful in achieving our goals through our alumni spread out around the world doing great things in their career and at home all the while being upstanding citizens of our society.

Although, we respect the centuries old benchmarks of excellence in and focus on achieving and setting new benchmarks of our own but we don't believe in comparison among students on just those benchmarks. Therefore, the moment a student enters our school we strive to ensure that the child realises who he/she is and where their potential lies. Since the child enters, Irrespective of the student's background or calibre, the child is nurtured and groomed in a way that the student can stride into the adult world responsibly, independently and confidently.

I once again personally welcome you all and hope that together we build a society that takes on all the current world problems and smoothly takes them out one by one, all the while keeping their personality and humanity in check.

Regards,

Rishi Gaurav Pathak
Dy. Director
Kids Club Senior Secondary School

Message from Principal's Desk....

MRS. SAVITHRI NAIR
Principal,
Kids Club Senior Secondary School
Mansarovar, Jaipur

Dear Parents,

Education is about awakening – Awakening to the power and beauty that lies within all of us. Kids Club School is a symbol of progressive and quality education. Today, the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers and productive members of every changing global society. In our school children will gain an all-round education and achieve their potential not just in the academic field but also in the field of sports and creative arts.

We are scaling new heights with excellent and reputed professionals, training our children in a range of co-curricular activities like basketball, volleyball, badminton & Table-Tennis, Judo, Karate, Yoga, Meditation, Skating and many more indoor and outdoor games.

Most importantly, at the school we are a team of dedicated teachers and staff committed to the welfare of our children in our care. The importance of instilling good values in our students is our prime objective. So, we try to hone the talents of our children in a manner that they reach up to their optimal potential.

Our aim is to make education a fun filled, enjoyable, learning and growing experience on the solid foundation of values. We believe it is important to create an environment where students look eagerly forward to come to school. We want them to have fond memories of their time spent with us, long after they have left the portals of the school.

With Best Wishes

Mrs. Savithri Nair
Principal,
Kids Club School, Jaipur

Message from Co-Ordinator's Desk....

Ms. Loveena
BBA, St. Xavier's College, Jaipur
MBA, Narsee Monjee Institute of Management Studies, (NMIMS) Mumbai
Co-Ordinator
Kids Club Senior Secondary School
Mansarovar, Jaipur

Dear Parents,

Education is believed to be achieved through an amalgamation among motivated students, passionate teachers and supportive parents. Here, at Kids Club School we ensure that this perfect blend is achieved through our rigorous efforts in achieving quality education through both prescribed and unprescribed curriculum and co-curriculum for our students.

We don't believe in only focussing on academic excellence but value extra curricular and overall personality development of our students with the same enthusiasm. It is because we aren't only focussed on creating well-read students but also ensuring that our students, being the building blocks of our society lead a life with grace & integrity

We try to ensure that every student of our institute is open to lifelong learning and growing through various stages of life, contributing to this dynamic world that we live in.

I would also like to add that the parents of our students are one of the strongest sources of power to us as they play a great role in moulding the future of our students. Their consistent support has always been empowering us and for that I shall extend my gratitude to all the parents who are helping us in achieving our goal of educating our students in true terms of what "Education" has always been about.

Warm Regards,

Ms. Loveena
Co-ordinator
Kids Club Senior Secondary School

WELCOME TO KIDS CLUB SCHOOL

Children are the future of every country around the world. To lead the children on the right path is very essential. Schools are the main source to develop a child who will lead the growth of its own country.

For the full blossoming of your child, as a parent you have the opportunity to choose the right school where your child gets proper and blissful environment for all-round development. You have this opportunity in **"KIDS CLUB SCHOOL"** in a very effective way.

"The purpose of education is to make a man orderly within himself as well as an orderly unit of his family, his society, his nation and the world." - Maharishi

THE ETHOS OF THE SCHOOL

1. To stress on the all-round development of every child and to build confidence & self-equipped individuals.
2. To ensure academic excellence with result-oriented intensive coaching by specialized professional staff.
3. To imbibe such values among the students that will help them to cross all hurdles and barriers in life.
4. To inculcate in the students an enhanced aesthetic sensibility to improve the quality of life.

5. To develop the students' individual thinking abilities, to distinguish between right and wrong and to take unerring decisions with vast futuristic vision in the face of a challenging environment.
6. To nurture the development of students with voluntary parental participation in pertinent school activities.
7. To foster an atmosphere where all students feel that they are valued members of the community.

KIDS CLUB SCHOOL - OFFERS LIFE ORIENTED EDUCATION

Kids Club School run and managed by group of Educationalists & Administrators who are in the field of innovative education for more than 4 decades and associated with world's largest privately owned educational organizations. **Kids Club School** offer a Consciousness Based Education Curriculum, Balanced, Contextualized to the school student that will prepare them comprehensively for life oriented, value based individual and form a firm base for study in higher classes and fulfill the goal of education i.e. Action - Achievements-Fulfillment.

The curriculum is designed to deliver through in classroom teacher instruction, study through their own environment, technology & exposure to foster deep understanding.

Consciousness is the prime mover of life. Kids Club School is offering complete theoretical and practical knowledge of consciousness which will open the gate of all possibilities in the life of the students.

The highest educational goal of every nation is to create ideal citizens, individuals capable of fulfilling their own goals while upholding the interests of others and the progress of the whole society.

For this goal to become a living reality, education must actualize the full potential of the most precious resource of the country, the human brain of every citizen.

Education should be defined as the process of nurturing the individual to display perfection in life. Education should enable any individual to spontaneously utilize the total creative intelligence of Natural Law. All his thought, speech and action will be spontaneously upheld by the silent power of peace that permeates all activity in the universe.

The reality is that "life is bliss". Life is the field of all possibilities and this should be cultured and fulfilled by education.

"The purpose of education is to make a man orderly within himself as well as an orderly unit of his family, his society, his nation and the world".

The students at **Kids Club School** receive a complete education, unfolding their creative potential while they are gaining knowledge of Traditional Academic areas of study. All children deserve such Education - one that prepares them to grow the ability to make life free from problems and mistakes, enjoying happiness and success in every field of life.

We **disapprove** the theory that "**Life is suffering**" and **teach** our students that "**Life is bliss**" and only, you yourself can command over it.

The journey of **Kids Club School** began in 2003. A spacious colourful school with a scientifically planned curriculum - a new way of bringing up children. Since then, **Kids Club School** became the trendsetter for pre school education and primary education.

Kids Club School is now upgraded as Senior Secondary english medium school, which was the first primary school - Day School - Day Boarding School with hostel facilities for 3+ age group to 18 years, which actually provides ample space to stimulate over all development of tiny tots.

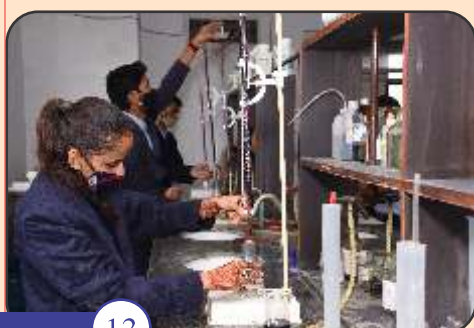

Kids Club School is like forest castles of joy spread over an area up to Two acre : With a teacher student ratio of 1 : 20, each child gets the required love and attention by professionally trained teacher.

All the teachers undergo rigorous training and are continuously updated and educated about new revelations in child psychology. A workforce of 30 highly professional teachers along with quality manager, academic heads and administrators are working towards providing little children the best of education and facilities and grooming them into leaders of tomorrow. Not only this, the school has taken the onus to educate parents about parenting through a series of seminars & personal instructions. Thus, creating a healthier society of enlightened parents and bright kids.

The curriculum of **Kids Club School** is based on the mantra, "**Life is bliss**" and let children be themselves'. Where children are given wings, the school also ensures that they develop strong roots. Most importantly, children are loved and made to feel cherished so that they approach life with a positive attitude. In a way, **Kids Club School** ushers the child into a world of possibilities where his personality blossoms.

SCHOOL FACILITIES

HOSTEL FACILITY

Due to increasing demand by parents, Kids Club School provides its students hostel facility from the session 2003-04. The hostel has the initial capacity of lodging 50 students on a sharing basis of 3 students per room, with attached toilet and bathing area. Keeping in mind all the basic requirements of the students, the hostel has a well-equipped dining hall with fully hygienic kitchen, recreation room, study and library. Round-the- clock medical facilities are available to take care of all emergencies with separate living area for boys and girls with their respective wardens. The hostel is planned in such a way it proves to be a home away from home where they have security, privacy and the environment to enhance academic excellence under the personal supervision of in-house teachers. The hostelers will live in a splendid environment in close proximity with nature. Swimming pool facilities and all other sporting facilities are provided through leased & out sourcing stadium which is so vital for their all round personality development.

COUNSELING CENTER

Kids Club has opened a counseling center, which is run by a qualified student counselor. We make a personal profile of each child at the time of admission and at the end of each semester, helping us to assess the child, and guide them in AEP

(Academic Enrichment Program)if required. Kids Club endeavors to provide ample opportunities to each student to tap his potential in one field or another. The aim is to help and find their strengths & talents.

PARENTS' PARTNERSHIP

The schools believes in teaming up with the parents to help in the personality and academic progress of the child, parents' participation in parent-teacher meeting, holding seminars / workshops and attending the school programmes and functions is deeply appreciated.

LIGHTER BAGS TO SCHOOL

The school has created a revolution in making the school bags lighter for the children. Each hostel student is provided with a locker in the classroom in which they keep most of their books and carry very light bags with them.

PERSONAL FILE OF THE STUDENTS

Personal files of the students are maintained from the day the child is admitted to the schools. This helps the teachers and the student counselor make a personal profile of each child and tap his potential from time to time.

LEARNING POLICY

WORKSHOPS & SEMINARS: Regular orientation workshops and in-service training is organized for the staff members to update their knowledge of the latest technologies adopted by the school. Intensive workshops on **Chetana Vigyan** are also organized for all staff members so that they can in turn impart this training to the students. Workshops are also organized for the parents on the issues such as:

1. Positive attitude towards children.
2. Time and stress management.
3. How to bring up the children.

CULTURAL ACTIVITIES:

1. Games & Sports
2. Dramatics
1. Orchestra
2. Singing
3. Classical And Folk Dances.
4. Mimicry

Also activities like basketball; volleyball, badminton, handball, cricket, football, athletics, karate and judo are also enjoyed by the students.

SCHOOL INFRASTRUCTURE

ECO - FRIENDLY CAMPUS

The lush green school campus is located at Sumer Nagar Vistar. Opp. Danwantari Hospital, New Sanganer Road, Mansarovar, Jaipur in a clean pollution-free and Eco-friendly environment with thousand of Plants & Trees.

The school building is very spacious keeping in mind almost every facility of the children. The clean and hygienic classrooms, corridor, toilets etc. are looked after by the house keeping staff. Under the charge of a supervisor. For the safety of the school children extra alert and vigilant security staff are there in the premises.

INFORMATION TECHNOLOGY

The program in Information Technology has been offered at Kids Club School to facilitate the use of IT in educational system. The program is offered at all levels in school. It encompasses applications in computer, communications, networking and multi-media. The program is intended to provide students, skills and expertise them in computer and computer-related information technology. It helps to develop the students with continued professional development in a wide variety of educational context. It instills the students with research expertise in practical usage of information technology. To encourage cognitive learning in our education system, we emphasis information technology for all students.

MULTIMEDIA LABORATORIES

School has five laboratories where students can present their presentation and develop their skills of communication and creative thinking.

LIBRARY

Kids Club School has a well-stocked library for the growing students. Our library is expanding periodically and encouraging books from the variety of authors. Our aim is to instill the love towards reading and respect for knowledge during the initial years of life.

There are various collections of books from elementary to high-level students. English and Hindi books are available making it a vast collection of books. Reference materials are also available on school subjects such as literature, social science, languages etc. Journals and newspapers are available for daily reading and subscription. At Kids Club School, we have generated a soothing reading environment with our library facility.

SICKROOM

Students are taken care during their illness and made medicine available to them.

WATER FACILITIES

Safe drinking water facilities are provided to student to take care of their health.

CO-SCHOLASTIC ACTIVITIES & DEVELOPMENT PROGRAMME

Kids Club School maintains a sporting / cultural balance by offering many activities outside' the realm of sport. Debates, speech contests etc. various societies and outdoor clubs are there:

- Environment Club
- Dramatic Club
- Media Club
- First Aid Club
- Science Club

A part from scholastic we also give emphasis on Co-Scholastic so we have regular Muisic (Vocal and instrument) Art and Craft, Yoga and Dance Classes. Twice in year we arrange Art and Craft workshop which is undertaken by expert teachers in this senior school also organise "Best out of waste" event. Students show their creativity with force dedication. School offers activity oriented education and has enough co-scholastic activities to provide happy environment full of fun and amazing experiences.

LABS

Kids Club School is well-structured educational institute formed with various Labs for practical exposure to students. Our labs include Computer Lab, Science Lab, Maths lab & English Language Lab. These subjects are taught in all sections of the school and the labs are equipped with all resources and facilities. There are varieties of special educational programs installed at each lab respective of the learning methods.

Computer labs are equipped with computers to have access to various applications and a variety of computer languages to learn from. Science lab is providing education for performing experiments and handling organic and inorganic chemistry and biological life science activities. The math's lab is designed to teach in a more pragmatic and life-oriented school level. Our lab facilities make learning interactive, participatory and fun-filled.

HOUSE SYSTEM

To facilitate the blossoming of valued talent of the student the school offers the House System. The four houses are Emerald, Topaz, Ruby, Sapphire. Every student of Class I - XII on admission is placed in one of these houses.

PHYSICAL EDUCATION

Physical education promotes fitness, cooperation, sportsmanship and school spirit. The mind-body coordination is very essential for the student for making success in their life. For the physical and mental alertness and keeping the students fresh, physical education is provided under the guidance and supervision of qualified game teacher. The school has a well equipped play ground nearly 50000 sq.ft. area. The outdoor and indoor games facilities like badminton, table-tennis, kho-kho, chess, carrom, shooting, skating etc. are provided to students, besides, and there is a mini swimming pool in the school premises.

ORGANISATION

I. Pre Nursery, Nursery & Prep

II. Class I - III

III. Class IV - VIII

IV. Class IX, X & XI, XII

The most impressionable age in the child's life is the pre-primary age at this age, the development of the child is rapid and students absorbs almost all that is taught to him. It is therefore on the adults to impart knowledge that would help the child develop good habits. Proper attitudes and an inquisitive mind. With these objectives in mind, the nursery school offers an innovative approach to learning and helps the young's child in developing knowledge, skills and confidence, thus giving a firm foundation that will stand the child good in future.

"Learning is fun"-----Towards this goal the school has set up a junior activity room, which is well equipped with educational toys. Audio and videocassettes, story-telling sessions including a vast array of fairy tales to leave them in a world of joy and constructive learning. The activity room also has a library for the children to develop their basic cognitive skills. Reading habits are inculcated right from this age. The books enable them to get introduced to a world color picture, figures and alphabets and prepare them for the world of pen and paper.

The curriculum for Nursery and KG takes care of the development of personal, social, behavioral, intellectual, communication and motor skills. Children have an access to the computer lab with the latest software from all over the world. It is a beautiful sight to watch children handling the mouse confidently to solve problems posed to them. Outings and picnics are arranged for children regularly. The teachers also help to inculcate in them table manners and etiquettes. In addition to learning English, maths and EVS, the children are also exposed to drawing, painting, paper craft and value based education.

EVENTS AND CELEBRATION

CELEBRATION

TEACHER'S DAY

As a mark of respect, the Teacher's day is celebrated with lots of enthusiasm. Children express love and gratitude for their Teacher through dramatizations and performances on the stage. Teachers dance and play games with all students, bringing them closer to each other.

FAREWELL

The lovely little children are bid adieu in the most endearing manner. Each child is presented with a beautiful album of memorable photographs taken during his stay at Kids Club School.

FESTIVALS

All festivals are celebrated with great aplomb like Lohri, Holi, Diwali, Gurupurnima, Gyan Yug Diwas, Janamashtmi, Christmas etc.

SPECIAL DAYS

Celebration in the memory of famous Freedom Fighters, Leaders & Visionaries.

EVENTS

THE ANNUAL DAY

The grand finale to the whole year of learning and fun is celebrated as Annual Day. The celebrations always carry a social theme with the intention to inculcate in parents and the children the feeling of love, harmony, patriotism, generosity. Children perform on stage at Ravindra Manch auditorium and enthrall the audience in a unique fashion show.

THE SPORTS DAY

Performances, variety of races, special show of skills like Taekwon-Do and the aura of Talkatora stadium add zest and fervour to sports day celebrations.

LITTLE IMAGES

It is an exhibition showcasing children's creativity. Little ones with the help of their teachers and creative imagination make some amazing craft items like pencil boxes, paper holders, decoration pieces. Children also spread social messages like drive safe, conserve electricity to the parents through special cards and projects. Each child plants a tulsi sapling as a bid to conserve environment.

CURRICULUM/SYLLABUS

The school aims at developing the overall personality of a child going beyond the prescribed syllabi. Care has been taken to devise a curriculum that lays emphasis on the development of personal speaking, team work, stress management and other related skills. TO build such attributes the school aims at reaching out to every student to help him learn such skills. The curriculum has been designed to ignite inquisitiveness in the child that will allow him full freedom to find his way through the maze of knowledge to learn and understand concept and not merely memorizing the text for examinations. Emphasis is on vocabulary, development, language structure and reading comprehension.

ACTIVITIES FOR CHILDREN

ADVENTURE TRAINING PROGRAMME

We organize Adventure activities and trips for all our students either at school grounds or arranged outside. Each of our adventure activity promotes educational and personal development in line with the national curriculum of the school. The students are free to volunteer to take part in these adventurous activities held residentially. There are several adventure groups that have been formed in our school to encourage activities such as Paragliding, Refling, Trekking, Snowsports, Camping, Horse Riding, River Rafting, Archery etc. Each activity brings team-sprit, better coordination and thrilling adventures for students to remember a lifetime. Such activities provide good informative and character building mechanism.

YOGA & TRANSCENDENTAL MEDITATION

Transcendental Meditation and Yoga introduced to student of kids club school which prepare them for perfect mind - body coordination. If we are all strong, stable, we can set our sail with any wind in the world that comes along. If we are not strong, we are like leaf in wind. So every day regularly transcendental meditation and yoga help them to strengthen their mind body & thoughts which leads them to greater happiness and coherence in every area of operations.

SKATING

There is an in-house Skating rink where children are trained by a coach. Children give skating performance on various occasions like Independence day, Sports day.

TAEKWON-DO

A professionally trained coach teaches little children this Korean art of defence. This is an important activity to make children strong in mind and body. Children present their taekwon-do skills at each presentation besides participating in competitions.

DRAMATIZATION AND ROLE PLAY

Dramatization of stories and stage plays are organized from time to time to expand the child's imagination and stimulate his creative expression. Children are then enrolled to create own stories with the help of the class teachers.

EDUCATIONAL TRIPS

Educational trips are organized such as Traffic Training, Technology Park, Museum, Buildings & Monuments of Historical Importance, Big Bazaar, Mother Dairy, Parle Jee, Marble Mines & Eco Village tour etc.

PICNICS & EXCURSIONS

Children are taken on fun filled outings and field trips to farmhouses, Zoo, Funcity, Children's Park and Railway Museum etc. every quarter.

PRESENTATIONS

Every quarter, children demonstrate skills acquired in that period in front of their parents, enabling them to understand the growth and level of development of their child. Feedback at the end of the presentation helps the teachers to work towards better performance.

COMPETITIONS

To further explore the hidden potential of the child, regular competitions are held which boost the confidence of the children, instill in them a healthy spirit of competition and remove stage fright.

SKATING RING

The school has a well designed skating ring where children are trained by a professional coach.

Inauguration of Basket Ball Court

Dr. Sudhir Kumar Mishra
Distinguished Scientist & Director General (BRAHMOS) DRDO, Ministry of Defence, Govt. of India
Shri Praveen Pathak, Director Brahmos Aerospace Pvt. Ltd.

CAMPUS WITH SETTLING ZONE

This room is beautifully decorated with large cut outs of animals, flowers and cartoon characters so that new children enjoy and get attracted towards their first school. New joiners are welcomed in this room for initial days till they become comfortable. Special activities to engross them and develop a relation with the team.

AWARDS

Major I.J. Sinha Award for Best Boy Student & Mrs. Raja Sinha Award for Best Girl Student and Mrs. Kanti Vijai Singh Award for 100% attendance, has been given every year with cash prize, memento & Citation shield. CBSE
NATIONAL BASKETBALL CHAMPIONSHIP (Girls)
Venue: Kids Club Senior Secondary School, Jaipur

AFFILIATION & ACCREDITATION

Kids Club School is a CBSE Affiliated school that follows a uniform curriculum prescribed by the CBSE boards. We share the privileges given by the CBSE board regarding the curriculum, examinations and academic innovations. We account for transparency in all methods of education and impart the students with best educational policies. We maintain and follow all guidelines prescribed by CBSE. Our school's education provides free learning environment so that the students can become enterprising citizens of this country by promoting intellectual, social and cultural vibrancy. Kids Club School envision CBSE's agenda to form a robust and holistic school education.

ADMISSION CRITERIA

A child should be 3 year and above as on 1st April of the year for which the child is admitted to class nursery. For classes higher than Nursery, the age criteria follows in the similar manner.

- 2+age group child may be admitted in "Play Group".
- For Class I: Child completing 5 years on 1st April of the Academic year.
- For Classes I to VIII there will be no formal test or interview, screening methods right will be reserve by school if number of applicants are more than the number of seat available.
- For Classes IX to XII: Guidelines by CBSE will be strictly followed.

DOCUMENTS REQUIRED WHILE ADMISSION

- Original Transfer Certificate from previous school
- Attested copy of date of Birth Certificate
- Two passport sized coloured photograph
- Attested mark sheet of previous class.

25% of the total seats reserved under RTE for children at entry level.

Note: Purchasing the prospectus doesn't entitle to right of admission.

FEE STRUCTURE

Fee is payable quarterly in advance by the 10th of the month of every quarter. Fees must be deposited in due quarter month by 10th of the current month. Failing with same a surcharge of Rs. 50/- per day will be charged. If at the expiry of two months, school fee is still outstanding, the student's name will be removed from the register, without any prior notification. Re-enrollment will be considered only on a payment of the re-enrolment fee of Rs. 1000/- and all outstanding fee by the 3rd Month of the quarter.

ASSESSMENT

A system of continuous assessment is followed in all forms as guide lines formed by CBSE for Class I to XII. To ensure on going progress without anxiety and fear of failure, round the year holistic assessment of the individual is done using a variety of tools including formal examinations. The continuous assessment covers both scholastic and co-scholastic aspect of pupil growth including health status, personal and social quality interests attitudes and values proficiency in co-curricular activities and academic competence.

EVALUATION SYSTEM

The Kids Club School has introduced continuous and comprehensive evaluation in all class through evaluation of scholastic and co-scholastics areas spread over two terms in an academic year. Each term will have two Formative Assessments and one Summative Assessment for evaluation of scholastic areas.

The academic year is divided in to two semesters & examinations are held at the end of each semester.

| | |
|--------------------------|--------------------|
| 1st Semester Examination | September |
| 2nd Semester Examination | March |
| Pre-Board for Class XII | December - January |

REPORT ON PROGRESS

Parents will receive computer generated report for each term of the academic year.

FEEDBACK ON PROGRESS

Parents are requested to sign each evaluation sheets and handover back. This will ensure that they are always aware of their wards progress.

ATTENDANCE

A student is required to keep 75% attendance in each term. The students failing to fulfill the required attendance shall not be permitted to appear in Annual Examinations.

HOME WORK POLICY

Each pupil should have a Kids Club School Diary, which is life orientation of school where he / she is to record the home set each day. Revision, consolidation and preparation of done work should take place every night.

SCHOOL CONVEYANCE

Conveyance facility is available on selected routes. Students are not permitted to withdraw from the bus/van facility in the mid-session unless there is a shifting of residence and in case of withdraw, conveyance fee will not be refundable.

CLUBS BONDING AS A TEAM

The School provides fairly wide range of activities through different clubs. Various clubs help in the enhancement of creativity & personality of our students. There are Literary Club, Reader's Club, Eco Club, Quiz Club, Health Club, Commerce Club, Maths Club, Science Club, Heritage Club, Cyber Club. Fine Arts & Music Club.

SUMMER CAMP

School organises various hobby classes such as Basketball, Art & Craft, Drama, Dance, Sculpture, Table Tennis, Cricket, Adventure & Health Fitness programmes during summer camp.
